FOR CORONER.

We are authorized to announce G. O. DOZIER as a candidate for Coroner, subject to the action of the Democratic party.

FOR COUNTY CLERK.

A candidate who lives in Stanford criticizes the CLIMAX for its published opinion of one of the best citizens of Lincoln county, a man who has done more to put Stanford on the map than even the L. & N. R. R. or any other agency. This is the kind of a target at which the left-handed, underhanded, undersigned writer directs his shafts of criticism. Come out in the open, partner, maybe you are a gentleman.

FOR COUNTY CLERK.

JOHN R. PROCTOR, President of the Civil Service Commission, has notified the Collector at Louisville that all employees in the office except the Cashier and the Collector are under the protection of the Civil Service law.

The matter was brought up by an inquiry to find out whether Deputy Collectors are protected, and Mr. Proctor replied that they are included in the favored class.

FOR COUNTY CLERK.

This leaves very little patronage for the incoming Republican Collector to distribute among the hungry office-seekers.

With only four dissenting votes the Senate of the United States has gone on record as favoring an international bi-metallic conference. The Republican party is apt to drift into unadvised bimetallism before the next campaign.

FOR COUNTY CLERK.

The Indianapolis convention stands alone in the demand for a "gold standard" and monetary measurements, as declared in their platform. The Republicans are on record as favoring what the Senate has declared—"free coinage of silver by international agreement," while the Democracy still adheres to "free and unlimited coinage of silver and gold at the present ratio of 16 to 1, without waiting for the aid or consent of any other nation."

FOR COUNTY CLERK.

GENERAL JOE SHELBY, born in 1813 at Lexington, Ky., died on Friday at Audrain, Mo. His remains were interred in Kansas City on Sunday. He was a Colonel of Confederate cavalry under General Price, at the beginning of the war but organized a regiment to which was joined the three Missouri regiments in a cavalry company, known as "Shelby's Brigade," which saw hard service in Arkansas, Missouri, Louisiana and Texas. He and 1,400 men exposed the cause of Maximilian, after the Civil War ended, and their services were as brilliant in the land of the Aztecs as they had been in his own country.
